

Privacy Policy at Boot City

BootCity.com does not share, sell or trade e-mail addresses.

Except to verify credit card information to complete your order, we do not use or release any credit card or financial information for any purpose. We may use customer information for marketing and promotional purposes. For privacy purposes, all information relating to our customers is stored on a highly secure server that is not accessible via the Internet.

Security: The security of your credit card and personal information is a top priority. When you place an order with us online, your order information is protected using Secure Sockets Layer (SSL) technology (128 Bit Encryption), which encrypts all personal information before it is transmitted over the Internet. You can rest assured that your transaction is confidential and secure.

We do not keep your Credit Card Information in our Databases

We are involved with the [cowboy boot reviews](#) project, your order id and purchase details were shared with the review project. No personal information, not even your name was given to them. You will receive an email from us to review your boots, if you choose to leave your name and email address with the boot review project that is up to you.

Remember when you [buy cowboy boots online](#) to buy from a reputable boot dealer who can back your purchase up with real western style customer care. Boot City has been selling cowboy boots online since this internet thing started, and our stores in Texas will be here just as long as Texas. So buy your boots from us, please.
